

## First Step

We have a free **\$100** gift to help your client start saving for their newborn and up to **\$2,500** in free matching future contributions!

### Who Qualifies?

Any child born or adopted on or after January 1, 2020 in Colorado is eligible to receive a free \$100 contribution to a CollegeInvest 529 savings account. Go to [www.collegeinvest.org/first-step](http://www.collegeinvest.org/first-step) for details and apply.

### Next Steps

Your client must have a CollegeInvest college savings account. They can open one at [www.collegeinvest.org](http://www.collegeinvest.org). (The Account Owner must be a parent/legal guardian and the eligible child as the Beneficiary.) The savings and earnings grow tax free, as long as the funds are used for the approved expenses<sup>1</sup>

- ◆ *Contributions they make to their account are eligible for a Colorado income tax deduction for Colorado taxpayers<sup>2</sup>*
- ◆ *Savings can be used anywhere in the country, at almost any college, university, community college, trade school or vocational program*

Next, the owner can apply for the program online at [www.collegeinvest.org/first-step](http://www.collegeinvest.org/first-step). They will need the child's savings account number and their birth certificate state file number. If the owner and the Beneficiary meet all of the eligibility requirements, they will be notified by email from CollegeInvest and the \$100 contribution will be deposited in their CollegeInvest account within 30 business days.

**That's only the beginning! We'll also match their future contributions up to \$2,500!**

### Who Qualifies?

All First Step recipients! Once they receive the \$100 from First Step, we'll match their future contributions dollar-for-dollar, up to \$500 per year for the next 5 years. They could receive up to \$2,500 in matching funds!

### Next Steps

The best thing is...they don't need to do anything! We'll contact them in January each year to confirm their account information. Then all the contributions up to \$500 per year that they make in the next calendar year will be matched.
