Members of the Legislative Audit Committee:

We have completed the financial statement audits of CollegeInvest College Savings Program Funds as of and for the years ended June 30, 2021 and 2020. Our audits were conducted in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

We were engaged to conduct our audits pursuant to Section 2-3-103, C.R.S., which authorizes the State Auditor to conduct or cause to be conducted audits of all departments, institutions and agencies of State government. The reports which we have issued as a result of this engagement are set forth in the table of contents which follows.

REPORT SUMMARY

Purposes and Scope

The Office of the State Auditor, State of Colorado, engaged BKD, LLP to conduct the financial and compliance audit of CollegInvest (a division of the Department of Higher Education, State of Colorado) College Savings Program Funds as of and for the years ended June 30, 2021 and 2020. BKD, LLP performed these audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

The purposes and scope of our audits were to (i) express opinions on each fiduciary fund of CollegInvest College Savings Program Funds as of and for the fiscal years ended June 30, 2021 and 2020 and (ii) issue a report on CollegInvest College Savings Program Funds' internal control over financial reporting and on compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters based on our audits of the financial statements performed in accordance with *Government Auditing Standards* for the year ended June 30, 2021.

Audit Opinions and Reports

We expressed unmodified opinions on each fiduciary fund of CollegInvest College Savings Program Funds as of and for the years ended June 30, 2021 and 2020.

Summary of Key Findings and Recommendations

There were no findings for the year ended June 30, 2021.

**Summary of Progress in Implementing
Prior Year Audit Recommendations**

There were no findings for the year ended June 30, 2020.

CollegInvest
College Savings Program Funds
Years Ended June 30, 2021 and 2020

**DESCRIPTION OF
COLLEGEINVEST
COLLEGE SAVINGS PROGRAM FUNDS**

Organization

The Colorado General Assembly, pursuant to Colorado Revised Statutes 23-3.1-201, et seq. and 23-3.1-301, et seq., established a student obligation bond program (Student Loan Program Funds, which consist of the Borrower Benefit Fund and Bond Funds), an Internal Revenue Code Section 529 college savings program (Scholars Choice College Savings Program “Scholars Choice Fund,” Direct Portfolio College Savings Plan “Direct Portfolio Fund,” Smart Choice College Savings Plan “Smart Choice Fund,” and Stable Value Plus College Savings Plan “Stable Vale Plus Fund,” collectively referred to as the College Savings Program Funds), and an Internal Revenue Code Section 529A Achieving a Better Life Experience (ABLE) savings program, which are administered by CollegInvest. The college savings programs assist students in meeting the expenses incurred in availing themselves of higher education opportunities. The ABLE savings program helps individuals with disabilities save money while preserving their Supplemental Security Income and Medicaid benefits. This report only includes the financial statements of the College Savings Program Funds. Information on the Student Loan Program Funds (including ABLE) can be found in the State of Colorado Annual Comprehensive Financial Report. The Executive Director of the Colorado Department of Higher Education has responsibility for oversight and management of CollegInvest and appoints the Director of CollegInvest. In addition, CollegInvest has a nine-person Advisory Board of Directors (Board) designated by the Governor with the consent of the State Senate to serve four year terms.

The College Savings Program Funds were established to provide families with an opportunity to save for future college education expenses. The Funds provide an opportunity to invest on a tax-favored basis toward the “qualified higher education expenses” of a designated beneficiary (the Student) associated with attending an institution of higher education. These institutions include most community colleges; public and private four-year colleges, universities, graduate and post-graduate programs; and certain proprietary and vocational schools throughout the United States. “Qualified higher education expenses” include tuition, fees, books, supplies, and equipment required for the enrollment or attendance of a student at an eligible institution of higher education plus, subject to certain limitations, room and board expenses for a student attending such an institution on at least a half-time basis.

The College Savings Program Funds consist of four funds with various options to meet the savings needs of participants. The individual funds and available options are described throughout these financial statements and in greater detail in the notes to the financial statements.

CollegInvest
College Savings Program Funds
Years Ended June 30, 2021 and 2020

**DESCRIPTION OF
COLLEGEINVEST
COLLEGE SAVINGS PROGRAM FUNDS (continued)**

The Colorado Constitution and other State laws prohibit the State from providing its full faith and credit to obligations of other entities, such as the College Savings Program Funds. As a result, payments from the College Savings Program Funds are not guaranteed in any way by the State, and are not considered to have created a debt or obligation of the State. Such payments are limited obligations, payable from each College Savings Program Fund, but not from the other assets of CollegInvest.

Independent Auditor's Report

Members of the Legislative Audit Committee:

Report on the Financial Statements

We have audited the accompanying financial statements of each fiduciary fund of CollegeInvest (a division of the Department of Higher Education, State of Colorado) College Savings Program Funds as of and for the years ended June 30, 2021 and 2020, and the related notes to the financial statements, which collectively comprise CollegeInvest College Savings Program Funds' basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of each fiduciary fund of CollegeInvest College Savings Program Funds as of June 30, 2021 and 2020, and the respective changes in financial position for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 1 – Organization and Summary of Significant Accounting Policies, the financial statements of the CollegeInvest College Savings Program Funds are intended to present the fiduciary net position, and the changes in fiduciary net position, for only that portion of the financial reporting entity, State of Colorado, that is attributable to the transactions of the CollegeInvest College Savings Program Funds. They do not purport to, and do not, present fairly the financial position of the State of Colorado as of June 30, 2021 and 2020, and the changes in its financial position, or where applicable, its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America. Our opinions are not modified with respect to this matter.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis as listed in the table of contents be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, which considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements and other knowledge we obtained during our audits of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audits were conducted for the purpose of forming opinions on the financial statements that collectively comprise the CollegeInvest College Savings Program Funds' basic financial statements. The combining schedules for the Scholars Choice Fund, Direct Portfolio Fund and Smart Choice Fund (supplementary information), as listed in the table of contents, are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated November 22, 2021, on our consideration of CollegeInvest College Savings Program Funds' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of CollegeInvest College Savings Program Funds' internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering CollegeInvest College Savings Program Funds' internal control over financial reporting and compliance.

CollegInvest
College Savings Program Funds
Management’s Discussion and Analysis
(Unaudited)
June 30, 2021 and 2020

This section of the College Savings Program Funds’ (Funds) financial statements is a discussion and analysis of the financial performance of the Funds for the years ended June 30, 2021 and 2020, prepared by management. The Funds are Internal Revenue Code (IRC) Section 529 college savings plans administered by CollegInvest. CollegInvest, a division of the Department of Higher Education of the State of Colorado, administers the Funds. The Scholars Choice, Direct Portfolio, Stable Value Plus, and Smart Choice Funds are plans within the Section 529 college savings program of CollegInvest (Program). The Funds are presented as fiduciary activities (specifically, private-purpose trust funds) in the State of Colorado’s Annual Comprehensive Financial Report. Management is responsible for the financial statements, footnotes, and this discussion. The management’s discussion and analysis should be read in conjunction with the Funds’ financial statements.

Overview of the Financial Statements:

This annual report contains two sections – management’s discussion and analysis (this section) and the basic financial statements. The basic financial statements include the Statements of Fiduciary Net Position, the Statements of Changes in Fiduciary Net Position, and the Notes to Financial Statements. The Notes to Financial Statements present additional information to support the financial statements and are commonly referred to as “Notes.” Their purpose is to clarify and expand on the information in the financial statements.

The Statements of Fiduciary Net Position present information on all of the Funds’ assets and liabilities, with the difference between the two reported as fiduciary net position, held in trust. Over time, increases or decreases in the fiduciary net position may serve as a useful indicator of whether the financial results of the Funds are improving or deteriorating.

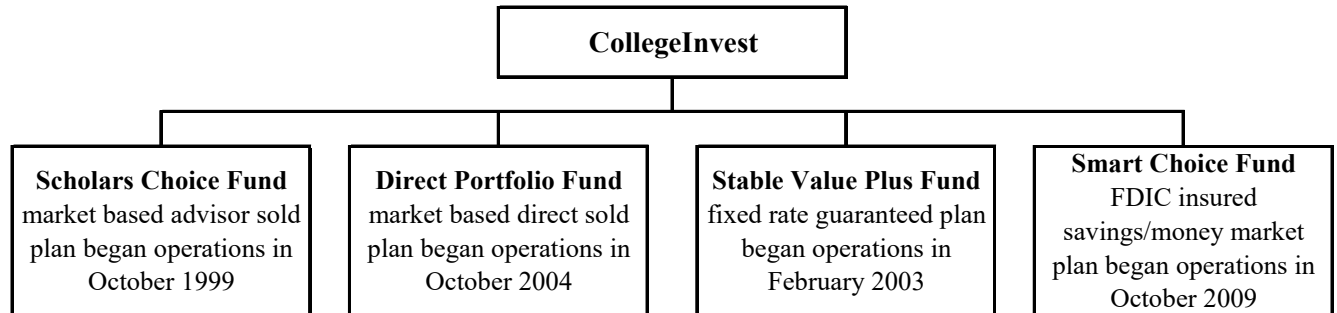

The Statements of Changes in Fiduciary Net Position present information that reflects how the Funds’ fiduciary net position changed during the past year. All changes in the net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of the related cash flows. Thus, additions to and deductions from fiduciary net position are reported in the statements for some items that will only result in cash flows in future fiscal periods.

Analysis of Financial Activities:

CollegInvest’s Board of Directors (BOD) approves the annual budget and the investment policies of the Funds. Inception of the Funds is as follows:

CollegeInvest
College Savings Program Funds
Management’s Discussion and Analysis
(Unaudited)
June 30, 2021 and 2020

Analysis of Financial Activities (continued):

Scholars Choice Fund:

CollegeInvest has an agreement with QS Investors, LLC (QS) and Legg Mason Investor Services, LLC (LMIS) to manage the advisor sold accounts of the Scholars Choice Fund (SCF). Both QS and LMIS are wholly owned subsidiaries of Legg Mason, Inc. Effective July 31, 2020, Legg Mason, Inc. was acquired by Franklin Resources, Inc. LMIS is responsible for performing or arranging for the performance of administrative duties and record-keeping functions, and QS performs investment advisory functions for the SCF.

CollegeInvest acts as trustee to the SCF, and QS holds the assets of the SCF in a segregated custody account. Assets of the SCF are held “in trust” for the exclusive benefit of account owners and beneficiaries. The SCF offers 13 investment options in which participants may invest. Each investment option is comprised of one or more of the 15 portfolios within the SCF. The investment return for the SCF is based on the market performance of underlying investments. These investment options are designed to help meet diverse investment goals of investors.

During fiscal year 2021, CollegeInvest gave notice of termination of the Services Agreement between CollegeInvest and QS and LMIS, and contracted with TIAA-CREF Tuition Financing, Inc. (“TFI”) to serve as the successor manager for the Program. The TFI contract is a ten year contract expiring on July 19, 2031, subject to possible extension. QS and LMIS remained as managers through fiscal year 2021. The transfer of program assets, records and management responsibilities to TFI was completed in July 2021.

CollegeInvest
College Savings Program Funds
Management's Discussion and Analysis
(Unaudited)
June 30, 2021 and 2020

Analysis of Financial Activities (continued):

Direct Portfolio Fund:

CollegeInvest has an agreement in place with Ascensus College Savings Recordkeeping Services, LLC (Ascensus) and The Vanguard Group, Inc. (Managers) to provide administrative and record-keeping duties to the Direct Portfolio Fund (DPF). The contract expires on December 31, 2024, subject to possible extension.

CollegeInvest acts as trustee to the DPF, and the Managers hold the assets of the DPF in a segregated custody account. Assets of the DPF are held “in trust” for the exclusive benefit of account owners and beneficiaries. The investment return for DPF is based on the market performance of investments. DPF offers 11 investment options, including three age-based options and eight blended and individual portfolios, in which participants may invest. Each investment option is comprised of one or more of the 14 portfolios within DPF. These investment options are designed to help meet diverse investment goals of investors.

Stable Value Plus Fund:

CollegeInvest administers the Stable Value Plus Fund. In October 2019, CollegeInvest partnered with Nationwide Mutual Insurance Company (Nationwide) to offer a Deferred Fixed Annuity Contract (Nationwide Contract) for the Stable Value Plus Fund (SVP). The contract provides a guarantee on the principal and earnings of the SVP. The contract expires on June 30, 2029, subject to possible extension.

CollegeInvest had prior servicing and funding agreements with Brighthouse Insurance Company (Brighthouse), a wholly owned subsidiary of MetLife, Inc., to provide a guarantee on the principal and earnings of SVP. CollegeInvest provided notice of discontinuance of the service agreement (Brighthouse Agreement) in October 2019. Per the Brighthouse funding agreement, the funds held at Brighthouse will be transferred in four equal installments to Nationwide over a three year and 60 day period. The last transfer will occur on December 23, 2022 when both agreements will terminate.

CollegeInvest
College Savings Program Funds
Management’s Discussion and Analysis
(Unaudited)
June 30, 2021 and 2020

Analysis of Financial Activities (continued):

Stable Value Plus Fund (continued):

The SVP offers an investment return based on an interest rate that is reset annually by Nationwide each January 1. The Brighthouse interest rate is set at 2% (1.29% after administrative fee). Under the Nationwide contract the minimum investment return on accounts in the SVP could be as low as 0.51%, which is the minimum annual rate of 1.50% less the maximum CollegeInvest administrative fee of 0.99%. The rate, net of CollegeInvest’s administrative fee, has been as follows:

<u>Date</u>	<u>Rate</u>
January 1, 2018 – December 31, 2018	2.29%
January 1, 2019 – December 31, 2019	2.49%
January 1, 2020 – December 31, 2020	2.49%
January 1, 2021 – June 30, 2021	2.09%

As of June 30, 2021, CollegeInvest’s fiduciary net assets held at Nationwide and Brighthouse are approximately \$110 million and \$63 million, respectively.

Smart Choice Fund:

CollegeInvest has an agreement in place with FirstBank Holding Company (FirstBank), a Colorado banking company, to offer a college savings option called the Smart Choice College Savings Plan (SCCS). CollegeInvest acts as trustee for the plan and FirstBank provides administrative and record-keeping duties. The plan is offered to provide an additional tax-advantaged savings vehicle for participants to utilize in saving for post-secondary education by providing the benefits of a 529 plan along with the stability and security of an FDIC insured bank. The product offerings through the SCCS are a One-Year Time Savings Account and a Money Market Savings Account. The agreement expires September 30, 2029, subject to possible extension.

The interest rate paid on amounts deposited into the money market savings account and the one-year time savings account will be established by FirstBank. However, the rates for each type of account must not be less than 0.10% of the interest rate publicly offered directly by FirstBank on similar money market and savings accounts. The rates are variable and are published daily by FirstBank on their website. The interest rate will be calculated, and may be adjusted if needed,

Analysis of Financial Activities (continued):

Smart Choice Fund (continued):

every Wednesday and on the first day of each month, and is net of all administrative and other charges of FirstBank. The average interest rate paid during fiscal years 2021 and 2020 was 0.07% and 0.51%, respectively.

Comparison of Current Year Results to Prior Year:

Condensed Statements of Fiduciary Net Position as of June 30:

	<u>2021</u>	<u>2020</u>	<u>2019</u>
	(dollar amounts expressed in thousands)		
Cash and investments	\$ 11,386,125	\$ 9,319,569	\$ 8,795,359
Receivables and other	<u>41,324</u>	<u>28,796</u>	<u>23,645</u>
Total fiduciary assets	<u>11,427,449</u>	<u>9,348,365</u>	<u>8,819,004</u>
Total liabilities	<u>52,420</u>	<u>40,865</u>	<u>21,349</u>
Total fiduciary net position, held in trust	<u>\$ 11,375,029</u>	<u>\$ 9,307,500</u>	<u>\$ 8,797,655</u>

Combined cash and investments of the Program increased by \$2.1 billion, or 22.2%, from June 30, 2020 to June 30, 2021 due primarily to investment earnings and fees of \$1.9 billion and net contributions (participant contributions less benefits paid to participants and withdrawals) of \$219.0 million, which were offset by administrative expenses of \$33.8 million.

As compared to the prior year; combined cash and investments of the Program increased by \$524.2 million, or 6.0%, from June 30, 2019 to June 30, 2020 due primarily to net contributions (participant contributions less benefits paid to participants and withdrawals) of \$185.5 million and investment earnings and fees of \$355.8 million, which were offset by administrative expenses of \$32.2 million.

Receivables consist primarily of receivables for fund shares sold, receivables for investments sold, dividends and interest receivable, and due from Student Loan Program Funds. Receivables increased by \$12.5 million in 2021 and increased by \$5.2 million in 2020. The fluctuation in both years is primarily due to the timing and amount of fund shares sold, receivables for investments sold, and dividends and interest receivable. The year-to-year changes are a reflection of investment decisions made by the participants and the corresponding action taken by the plan manager to process the required transactions.

CollegInvest
College Savings Program Funds
Management's Discussion and Analysis
(Unaudited)
June 30, 2021 and 2020

Comparison of Current Year Results to Prior Year (continued):

Liabilities consist of amounts payable for investments purchased, amounts payable for fund shares repurchased, service and investment fees payable, unearned revenue, and due to participants. Total liabilities increased by \$11.6 million in fiscal year 2021 as compared to an increase of \$19.5 million in 2020. The increase in the liabilities is due to timing and amount of the payables for investments purchased and the amounts payable for fund shares repurchased in the SCF. The year-to-year changes are a reflection of investment decisions made by the participants and the corresponding action taken by the plan manager to process the required transactions. The increase in fiscal year 2020 is primarily due to legislation passed in 2019 which required CollegInvest to transfer \$12.2 million from the former Colorado CollegInvest Scholarship Program to the SVP for Child Kickstarter Accounts, known as the First Step program.

Condensed Statements of Changes in Fiduciary Net Position for the Years Ended June 30:

	<u>2021</u>	<u>2020</u>	<u>2019</u>
	(dollar amounts expressed in thousands)		
Net investment earnings	\$ 1,882,858	\$ 355,752	\$ 522,056

CollegInvest
College Savings Program Funds
Management's Discussion and Analysis
(Unaudited)
June 30, 2021 and 2020

Comparison of Current Year Results to Prior Year (continued):

Net investment earnings are comprised of dividends, interest earnings, net realized and unrealized gains and losses from security transactions less investment fees. Net realized and unrealized gains and losses on security transactions were \$1.6 billion, \$9.9 million and \$149.2 million for the years ended June 30, 2021, 2020 and 2019, respectively. Increases and decreases in net realized and unrealized gains and losses on security transactions reflect market conditions during each corresponding year. The significant increase in 2021 returns is due to record fiscal and monetary stimulus which led to a strong equity market recovery from the COVID-19 pandemic. Investment returns are also dependent on individual investor behavior and the timing of benefits paid to participants as funds are utilized to pay for college or for withdrawals. Interest and dividend earnings were \$242.8 million, \$348.4 million and \$375.2 million for the years ended June 30, 2021, 2020 and 2019, respectively. Interest and dividend earnings primarily reflect overall economic conditions and the investment holdings during each year. The Program participant contributions, net of benefits paid to participants and withdrawals, increased by \$33.6 million to \$219.0 million for the year ended June 30, 2021, and increased by \$22.9 million to \$185.5 million for the year ended June 30, 2020.

Participant contributions and benefits paid to participants and withdrawals were as follows:

	<u>2021</u>	<u>2020</u>	<u>2019</u>
	(dollar amounts expressed in thousands)		
Participant contributions:			
Scholars Choice Fund	\$ 433,817	\$ 418,375	\$ 404,595
Direct Portfolio Fund	620,446	553,272	508,833
Stable Value Plus Fund	44,827	37,849	39,657
Smart Choice Fund	53,609	57,270	52,691
Total participant contributions	<u>\$ 1,152,699</u>	<u>\$ 1,066,766</u>	<u>\$ 1,005,776</u>
Benefits paid to participants and withdrawals:			
Scholars Choice Fund	\$ 509,717	465,911	448,732
Direct Portfolio Fund	343,882	328,602	287,755
Stable Value Plus Fund	34,205	37,331	61,573
Smart Choice Fund	45,860	49,459	45,200
Total benefits paid to participants and withdrawals	<u>\$ 933,664</u>	<u>\$ 881,303</u>	<u>\$ 843,260</u>
Net participant contributions	<u>\$ 219,035</u>	<u>\$ 185,462</u>	<u>\$ 162,516</u>

CollegeInvest
College Savings Program Funds
Management's Discussion and Analysis
(Unaudited)
June 30, 2021 and 2020

Comparison of Current Year Results to Prior Year (continued):

Participant contributions were 11.1%, 11.8% and 11.9% of average net position for the years ended June 30, 2021, 2020 and 2019, respectively. Benefits paid to participants and withdrawals were 9.0%, 9.7% and 10.0% of average net position for the years ended June 30, 2021, 2020 and 2019, respectively.

Fees are primarily comprised of funds received from Legg Mason and the Managers for marketing and promotion of the Funds. CollegeInvest utilized \$366,000, \$354,000 and \$395,000 in fees from Legg Mason for the year ended June 30, 2021, 2020 and 2019, respectively. CollegeInvest utilized \$855,000, \$801,000 and \$733,000 in fees from the Managers for the year ended June 30, 2021, 2020, and 2019, respectively.

Administrative and service fees are charged to participants as a percentage of net position based on the investment option chosen. These charges were approximately 0.3%, 0.4%, and 0.4% of average net position for the years ended June 30, 2021, 2020 and 2019, respectively.

June 30, 2021 and 2020

Economic Factors:

- Performance of individual participant accounts and individual portfolios within the Program is dependent on risk factors associated with market-based investments. Fair market valuation of participant accounts may fluctuate based on market performance.
- Amounts contributed to the Program by participants may be more or less than the amounts needed by beneficiaries to attend a particular institution of higher education and do not guarantee acceptance into any institution of higher education.
- Participants are responsible for selecting portfolios in accordance with their risk tolerance. The Program does not guarantee return of principal or a certain investment rate of return on investments. Under the Nationwide and FirstBank agreements, the return of principal and certain investment rates of return are guaranteed for the SVP and the SCCS, respectively.

Requests for Information:

This report is designed to provide a general overview of the Funds' finances. Questions concerning any of the information provided in this report or requests for additional information should be addressed to Nicole Vigil, Chief Financial Officer, CollegeInvest, 1600 Broadway, Suite 2300, Denver, Colorado 80202.

CollegInvest
College Savings Program Funds
Notes To Financial Statements
June 30, 2021 and 2020

1. Organization and Summary of Significant Accounting Policies:

Pursuant to Colorado Revised Statutes 23-3.1-201, et seq., and 23-3.1-301, et seq., as amended, CollegInvest is a division of the Colorado Department of Higher Education (Department) of the State of Colorado. The Executive Director of the Department has responsibility for oversight and management of CollegInvest. In addition, CollegInvest has a nine-person Advisory Board of Directors (Board) designated by the Governor, with the consent of the State Senate, to serve four-year terms.

The Colorado General Assembly established a Section 529 college savings program (Program). The Program includes the Scholars Choice Fund (SCF), Direct Portfolio Fund (DPF), Stable Value Plus Fund (SVP), and Smart Choice Fund (SCCS) (the Funds), all of which are administered by CollegInvest. CollegInvest also administers the Student Loan Program Funds, which is an enterprise fund consisting of the Borrower Benefit Fund, the Bond Funds, and the Section 529A Achieving a Better Life Experience savings program. Separate financial statements were not prepared for the Student Loan Program Funds; however, information and related disclosures associated with this fund may be found in the State of Colorado Annual Comprehensive Financial Report. This report contains information relating only to the College Savings Program Funds. The operations of the Funds are presented as fiduciary activities (specifically private purpose trust funds) under accounting principles generally accepted in the United States of America. CollegInvest receives no grants from, and is not otherwise financially assisted by, the State or any local government of the state. CollegInvest is an enterprise activity under Section 20, Article X of the Colorado Constitution (TABOR).

The Colorado Constitution and other State laws prohibit the State from providing its full faith and credit to obligations of entities such as the Funds. As a result, payments from the Funds are not guaranteed in any way by the state, and shall not be considered to have created a debt or obligation of the state. Such payments are limited obligations, payable from participants' individual accounts in the Funds, but not from the other assets of CollegInvest, or the state. Similarly, investments in the Funds are not insured by the Federal Deposit Insurance Corporation (FDIC) or any other State or federal government agency, except for SCCS, which is insured by the FDIC, subject to the applicable limits. Investments in SCF and DPF are not deposits or other obligations of Legg Mason, Inc., Ascensus, The Vanguard Group, Inc., or any depository institution or affiliate of Ascensus or The Vanguard Group, Inc. Investments in SVP are obligations of Nationwide and Brighthouse.

CollegInvest
College Savings Program Funds
Notes To Financial Statements
June 30, 2021 and 2020

1. Organization and Summary of Significant Accounting Policies (continued):

Reporting Entity:

The Program was authorized in the 1999 legislative session and, as a result, the Funds were established to provide families with additional opportunities to save for future college educational expenses. The Funds account for the operations and fiduciary activities of the Section 529 savings program as private-purpose trusts, where both principal and earnings on principal may be spent for the trust's intended purpose. Participant contributions and the earnings thereon are invested to assist in meeting the obligations for future higher education expenses of a named student. The payments of general and administrative expenses and other activities of the Funds necessary to fulfill their purposes are recorded within the Funds. There are no other funds of CollegInvest combined in the accompanying financial statements. Thus, the accompanying statements are not intended to present the financial position or changes in financial position, of CollegInvest as a whole in conformity with accounting principles generally accepted in the United States of America. Additionally, the Funds are also presented as fiduciary activities (specifically private-purpose trust funds) in the State of Colorado Annual Comprehensive Financial Report. The financial statements of the CollegInvest College Savings Program Funds are intended to present the fiduciary net position and changes in fiduciary net position for only that portion of the financial reporting entity, State of Colorado that is attributable to the transactions of CollegInvest College Savings Program Funds. They do not purport to, and do not present fairly, the financial position of the State of Colorado as of June 30, 2021 and 2020, and the changes in its financial position, or, where applicable, its cash flows, for the years then ended, in conformity with accounting principles generally accepted in the United States of America.

Each Fund in the Program was established as a Section 529 plan under the Internal Revenue Code (IRC). The Funds offer certain federal and state tax advantages to investors. The primary tax advantage to participants in the Funds is the ability to exclude from federal taxable income the earnings on any withdrawals that are used for qualified higher education expenses, as that term is defined in Section 529 of the IRC. If a participant is subject to Colorado income tax, earnings on qualified withdrawals are excluded from state taxable income. In addition, individuals, estates, and trusts subject to Colorado income tax generally are entitled to a deduction to the extent of their Colorado taxable income for the year for contributions made to a state sponsored Section 529 plan, subject to recapture in subsequent years in which nonqualified withdrawals are made. Note that an otherwise nontaxable rollover to another Section 529 program that is not associated with the State will trigger recapture of the Colorado income tax deduction described above in the year of the rollover.

1. Organization and Summary of Significant Accounting Policies (continued):

Reporting Entity (continued):

Scholars Choice Fund:

The Scholars Choice Fund (SCF) began operations in October 1999. SCF offers 13 investment options in which participants may invest. Each investment option is comprised of one or more of the 15 active portfolios as of June 30, 2021. The accompanying financial statements report on the combined portfolios.

CollegeInvest has an agreement with QS Investors, LLC (QS) and Legg Mason Investor Services, LLC (LMIS) to manage the advisor sold accounts of the SCF. Both QS and LMIS are wholly owned subsidiaries of Legg Mason, Inc. Effective July 31, 2020, Legg Mason, Inc. was acquired by Franklin Resources, Inc. QS performs investment advisory functions and LMIS is responsible for performing or arranging for the performance of administrative duties and record keeping for SCF.

During fiscal year 2021, CollegeInvest gave notice of termination of the Services Agreement between CollegeInvest and QS and LMIS, and contracted with TIAA-CREF Tuition Financing, Inc. (“TFI”) to serve as the successor manager for the Program. The TFI contract is a ten year contract expiring on July 19, 2031, subject to possible extension. QS and LMIS remained as managers through fiscal year 2021. The transfer of program assets, records and management responsibilities to TFI was completed in July 2021.

The investment return for SCF is based on the market performance of investments. Investment options are selected by CollegeInvest based on recommendations from QS.

Participants in the SCF may invest in one or more of the following options:

- **Age-Based Options:** Contributions are invested in one of seven portfolios according to the age of the student. As the student gets older and closer to college years, the investment shifts from equity funds to bond and money market funds as follows:

1. Organization and Summary of Significant Accounting Policies (continued):

Reporting Entity (continued):

Scholars Choice Fund (continued):

- Equity 80% Option: Contributions are invested 80% in equity mutual funds and 20% in fixed income investments (Portfolio #1 per previous page). The investment objective of this option is to seek long-term capital appreciation through investments in equity mutual funds while maintaining 20% exposure to the relatively more stable returns of fixed income investments through investment in fixed income mutual funds.
- Fixed Income 80% Option: Contributions are invested 80% in fixed income and money market fund investments and 20% in equity mutual funds (Portfolio #6). The investment objective of this option is to seek the relatively more stable returns of a fixed income investment through investments in fixed income mutual funds while maintaining 20% exposure to the long-term capital appreciation potential of investments in equity mutual funds.
- Cash Reserve Option: Contributions are invested in the Western Institutional Government Reserves Fund. The investment objective of the Cash Reserve Option is to seek maximum current income and preservation of capital.
- Individual Fund Options: Contributions are invested in the U.S. Aggressive Equity, U.S. Core Equity, U.S. Small Cap Equity, International Equity and Global Fixed Income. Each of the Individual Fund Portfolios will invest all of its assets in a single Fund, as specified in the “Current Underlying Fund for Individual Fund Portfolio” tab under the “Target Fund Allocations” listed in the Program Disclosure Statement. While each of the Individual Fund Portfolios will invest all of its assets in a single specified Fund, the Individual Fund Portfolios themselves are not mutual funds. The Fund in which an Individual Fund Portfolio invests all of its assets is subject to change.

1. Organization and Summary of Significant Accounting Policies (continued):

Reporting Entity (continued):

Direct Portfolio Fund:

The Direct Portfolio Fund (DPF) began operations in October 2004. DPF offers 11 investment options, including three age-based options and eight blended and individual portfolios, in which participants may invest. Each investment option is comprised of one or more of 14 active portfolios within DPF as of June 30, 2021.

As the trustee for DPF, CollegInvest entered into an agreement (DPF Service Agreement) with Ascensus and The Vanguard Group, Inc. (Managers) to manage the DPF. This contract expires on December 31, 2024, subject to possible extension. The investment return for DPF is based on the market performance of investments. Investment options are selected by CollegInvest based on recommendations from the Managers.

Participants may invest in one or more of the following 11 options:

- **Age-Based Options:** Contributions are invested in one of three portfolios according to the age of the beneficiary. Money invested in age-based options are automatically transferred over time to successive Portfolios with asset allocations that change from equity funds to fixed income and to short-term reserve funds as the beneficiary approaches college age.

- **Blended Portfolios and Individual Portfolios:** Contributions are invested in one of eight options. In these options, assets will be allocated to the Portfolio for the life of the investment unless the account owner directs a change in investment option. The Blended Portfolios and the Individual Portfolios are each invested according to a static asset allocation that does not change over time. Within the Blended Portfolios participants may invest according to risk tolerance in either an aggressive, growth, moderate growth, conservative growth, or income focused range of asset allocations.

1. Organization and Summary of Significant Accounting Policies (continued):

Reporting Entity (continued):

Direct Portfolio Fund (continued):

Within the Individual Portfolios participants may invest as follows:

- Stock Index Portfolio: Contributions are invested 100% in Vanguard Institutional Total Stock Market Index Fund Institutional Plus Shares and seeks to track the performance of a benchmark index that measures the investment return of the overall stock market.
- Bond Index Portfolio: Contributions are invested 100% in Vanguard Total Bond Market Index Fund Institutional Plus Shares and seeks to track the performance of a broad, market-weighted bond index.
- Interest Accumulation Portfolio: Contributions are invested 100% in Colorado Short-Term Reserves Account and seeks to provide preservation of principal and current income.

Stable Value Plus Fund:

The Stable Value Plus Fund (SVP) began operations in February 2003. In October 2019, CollegInvest partnered with Nationwide Mutual Insurance Company (Nationwide) to offer a Deferred Fixed Annuity Contract (Nationwide Contract) for the Stable Value Plus Fund (SVP). The contract provides a guarantee on the principal and earnings of the (SVP). The contract expires on June 30, 2029, subject to possible extension.

CollegInvest had prior servicing and funding agreements with Brighthouse Insurance Company (Brighthouse), a wholly owned subsidiary of MetLife, Inc., to provide a guarantee on the principal and earnings of SVP. CollegInvest provided notice of discontinuance of the service agreement (Brighthouse Agreement) in October 2019.

Nationwide offers an investment return based on an interest rate that is reset annually by Nationwide each January 1. The minimum investment return on accounts in the SVP could be as low as 0.51%, which is the minimum annual rate of 1.50% less the maximum CollegInvest administrative fee of 0.99%. Nationwide agreed to pay an annual rate of 3.2% from October 2019 to December 2020 and 2.8% from January 2021 to June 2021. The rate, net of CollegInvest's administrative fee was 2.49% from October 1, 2019 through December 31, 2020 and 2.09% for January 1, 2021 to June 30, 2021.

June 30, 2021 and 2020

1. Organization and Summary of Significant Accounting Policies (continued):

Reporting Entity (continued):

Stable Value Plus Fund (continued):

The prior Brighthouse funding agreement paid an annual rate of 3.20% from July 1, 2019 to October 31, 2019 and 2.0% from November 1, 2019 to June 30, 2021. The rate, net of CollegInvest's administrative fee, was 2.49% from July 1, 2019 through October 31, 2019, and 1.29% from November 1, 2019 through June 30, 2021.

CollegInvest funded the interest shortfall between the Nationwide's annual rate and Brighthouse's annual rate of 2.49% and 1.29%, respectively, from November 1, 2019 to December 31, 2020 and 2.09% and 1.29%, respectively, from January 1, 2021 and June 30, 2021. A total of \$766,000 and \$831,000 was paid by CollegInvest for the year ended June 30, 2021 and 2020, respectively.

The plan assets held at Brighthouse will be transferred in four equal installments to Nationwide over a three year and 60 day time period, per the terms in the Brighthouse Funding Agreement. The last transfer will occur on December 23, 2022.

CollegInvest may discontinue the Nationwide Contract at any time. In the event of such discontinuance, CollegInvest shall direct the investment of SVP assets to alternate investments as permitted by the Nationwide Contract and the investment policy of SVP. There is no assurance that CollegInvest will be able to obtain such alternate investment or maintain the current investment return for any such alternate investment.

Smart Choice Fund:

In October 2009, CollegInvest entered into an agreement with FirstBank, a Colorado banking company, to begin offering a college savings option called the Smart Choice College Savings Plan (SCCS). CollegInvest acts as trustee for the plan and FirstBank performs administrative and record-keeping duties. The plan is being offered to provide an additional tax-advantaged savings vehicle for participants to utilize in saving for post-secondary education by providing the benefits of a 529 plan along with the stability and security of an FDIC-insured bank. The product offerings through the SCCS are a One-Year Time Savings option and a Money Market Savings option. The agreement expires September 30, 2029, subject to possible extension.

1. Organization and Summary of Significant Accounting Policies (continued):

Reporting Entity (continued):

Smart Choice Fund (continued):

The interest rate paid on amounts deposited into the money market savings account and the one-year time saving account will be established by FirstBank. However, the rates for each type of account must not be less than 0.10% of the interest rate publicly offered directly by FirstBank on similar money market and savings accounts. The rates are variable and are published daily by FirstBank on their website. The interest rate will be calculated, and may be adjusted if needed, every Wednesday and on the first day of each month, and is net of all administrative and other charges of FirstBank.

Basis of Accounting:

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America, including applicable standards of the Governmental Accounting Standards Board (GASB). The accrual basis of accounting is utilized by the Funds.

Additions to fiduciary net position are recognized in the accounting period in which they are earned and deductions from fiduciary net position are recognized in the period they are incurred.

Cash and Cash Equivalents:

The Fund considers all cash and demand deposit accounts to be cash equivalents.

Investments and Fiduciary Net Position Additions/Deductions:

QS has responsibility for investing the assets of each of the SCF's portfolios, and the Managers have responsibility for investing the assets of the DPF's portfolios in equity mutual funds, fixed income mutual funds, money market funds, and other investments (Underlying Funds), in accordance with CollegeInvest's Investment Policy Statements, and the Portfolio selected for investment by the participant.

CollegInvest
College Savings Program Funds
Notes To Financial Statements
June 30, 2021 and 2020

1. Organization and Summary of Significant Accounting Policies (continued):

Investments and Fiduciary Net Position Additions/Deductions (continued):

Security transactions for the SCF and the DPF are accounted for on a trade-date basis. This may result in receivables and payables for transactions at year-end. Investments in the Underlying Funds are valued at the closing net asset value per share of each Underlying Fund on the day of valuation.

Income distributions and short-term capital gain distributions from the Underlying Funds are recorded on the ex-dividend date as investment and interest earnings are recorded on an accrual basis. Long-term capital gains, if any, from the Underlying Funds are recorded on the ex-dividend date as realized gains. Gains or losses on the sale of the Underlying Funds are calculated by using the specific identification method.

CollegInvest has responsibility for transferring the assets of the participants of the SVP to Nationwide in accordance with the Nationwide Contract. Investments in the Underlying Funds are purchased weekly and are valued at the closing net asset value per share on the date of transfer to Nationwide. Interest earnings are credited to participant accounts daily. Distributions from the SVP are valued on the date immediately preceding the date that a payment is made by CollegInvest in satisfaction of a withdrawal request.

All contributions received from participants of the SCCS will be made to a plan account and, at the direction of the account owner, will be deposited in a One-Year Time Savings Account or a Money Market Savings Account with FirstBank through its individually chartered bank.

Investments are carried at fair value, which is primarily determined based on market prices at June 30, 2021 and 2020.

Due from (to) Student Loan Program Funds

CollegInvest utilizes the Borrower Benefit Fund (within the Student Loan Program Funds of CollegInvest) for payment of general and administrative expenses including salaries and related pension and other postemployment benefits and other activities necessary to fulfill the purposes of the various funds administered by CollegInvest, including the College Savings Program Funds. Expenses paid from the Borrower Benefit Fund related to the Funds are reimbursed by the Funds through the administrative fee. The amount of administrative fees received and held in the Borrower Benefit Fund that exceeds expenses paid by the Borrower Benefit Fund results in a receivable, and vice-versa. In addition, marketing and scholarship commitments and reserve, are held in the Borrower Benefit Fund and are recorded as a receivable on the College Savings Funds.

CollegeInvest
College Savings Program Funds
Notes To Financial Statements
June 30, 2021 and 2020

1. Organization and Summary of Significant Accounting Policies (continued):

Unearned Revenue:

Marketing and scholarship commitments received from LMIS and the Managers in excess of actual expenses are held in the Borrower Benefit Fund and recorded as unearned revenue in the SCF and DPF. Total unearned revenue recorded in these funds was \$6.5 million and \$6.1 million for the years ended June 30, 2021 and 2020, respectively. CollegeInvest will utilize these commitments for marketing and scholarships as designated in the contracts with LMIS and the Managers.

Colorado legislation passed in 2019 required CollegeInvest to transfer funds from the Colorado CollegeInvest Scholarship Program to the SVP for creation of Child Kickstarter (First Step) Accounts. The CollegeInvest First Step program provides a \$100 contribution to the CollegeInvest account of a beneficiary born or adopted in the State of Colorado on or after January 1, 2020. The amount recorded as First Step unearned revenue was approximately \$12.6 million and \$12.4 million for the years ended June 30, 2021 and 2020, respectively. In addition, CollegeInvest recorded \$250,000 of unearned revenue as of June 30, 2021 for the Colorado Comeback Cash Scholarship Promotion as the final drawing and winners were announced in July 2021. The scholarship prizes are invested in a CollegeInvest account until the beneficiary attends a 529 qualified education institution. The total amount recorded as SVP unearned revenue was \$12.8 million and \$12.4 million for the years ended June 30, 2021 and 2020, respectively.

Fee Limitation/Due to Participants:

To the extent that administrative fees collected from participants exceed the expenses of the Program, CollegeInvest shall 1) determine if such revenues are required to fund subsequent year expenses of the Program; 2) determine if such fees are required to fund prior years' unfunded expenses of the Program; or 3) reduce future fees of the plan participants for the following year.

As of June 30, 2021 and 2020, \$8.3 million and \$6.4 million in fees were accumulated in reserves that were greater than actual expenses, respectively. As of June 30, 2021, the \$8.3 million reserve is restricted for future expenses of CollegeInvest in its capacity as administrator of the Program. It is CollegeInvest's intent to maintain up to a 36 month reserve of estimated expenses.

Notes To Financial Statements
June 30, 2021 and 2020

1. Organization and Summary of Significant Accounting Policies (continued):

Participant Contributions:

The aggregate balance limit for the Funds and all other Colorado Section 529 plans for a particular beneficiary from all sources, excluding income, is \$400,000. The balance limit is set by CollegInvest based on Internal Revenue Service (IRS) guidelines and is subject to change. In particular, if the IRS adopts final regulations, it may require or permit a maximum balance limit that differs from the \$400,000 limit. No additional contributions may be made to an account if the balance limit is reached; however, the account may continue to grow beyond this limit through earnings.

Withdrawals:

A qualified withdrawal is a withdrawal made to pay qualified higher education expenses of the beneficiary. The earnings on qualified withdrawals are not subject to federal income tax. All withdrawals other than for this purpose are considered non-qualified withdrawals. Non-qualified withdrawals are subject to federal income tax plus a 10% penalty on earnings per Section 529 of the Internal Revenue Code. A non-qualified withdrawal is not subject to the 10% penalty only if the withdrawal is: (i) made on account of the death or disability of the beneficiary; (ii) made on account of a scholarship received by the beneficiary, to the extent that the withdrawal does not exceed the amount of the scholarship; or (iii) a non-taxable transfer to another account or to another Section 529 plan on behalf of a beneficiary or for a different beneficiary who is a family member of the original student. A non-qualified withdrawal may also be subject to recapture in the event a deduction has been taken from Colorado taxable income.

Investment, Service and Administrative Fees:

Scholars Choice Fund:

CollegInvest has a service agreement (SCF Service Agreement) with QS and Legg Mason Investor Services, LLC (LMIS) pursuant to which QS and LMIS are responsible for providing administrative, record-keeping, marketing, and investment management services to SCF. Both QS and LMIS are wholly-owned subsidiaries of Legg Mason, Inc. Effective July 31, 2020, Legg Mason Inc. was acquired by Franklin Resources, Inc. The SCF Service Agreement states that QS will receive investment and service fees at an annual percentage rate of average daily net assets. The rate structures can be found in the Plan Disclosure Statement for the Scholars Choice Fund.

CollegInvest
College Savings Program Funds
Notes To Financial Statements
June 30, 2021 and 2020

1. Organization and Summary of Significant Accounting Policies (continued):

This rate will vary with the Unit Class the account owner chooses. During the years ended June 30, 2021 and 2020, the investment fees paid by SCF were \$1.0 million and \$866,000, respectively, under the SCF Service Agreement. In addition, according to the SCF Service Agreement, each participant bears certain ongoing service fees that will vary with the Unit Classes the participant chooses. These direct service fees provide for the costs associated with distribution, servicing, and administration of the Unit Classes. Such direct service fees reduce the value of the participant's account as incurred. Such fees are payable to QS monthly, solely from the assets of SCF. SCF paid service fees of \$15.5 million and \$14.9 million for the years ended June 30, 2021 and 2020, respectively.

Investment, Service and Administrative Fees (continued):

Scholars Choice Fund (continued):

The SCF Service Agreement states that CollegInvest will receive an administrative fee at an annual rate of up to 0.10% of average daily net assets. These fees represent charges to SCF for actual administrative costs of CollegInvest. Such fees are payable to CollegInvest monthly, solely from the assets of the SCF. From July 1, 2019 through June 30, 2021, CollegInvest received an administrative fee at an annual rate of 0.06% of average daily net assets. SCF paid administrative fees of \$3.0 million and \$2.7 million for the years ended June 30, 2021 and 2020, respectively.

Direct Portfolio Fund:

CollegInvest entered into a service agreement (DPF Service Agreement) with Ascensus and The Vanguard Group, Inc. (Managers), pursuant to which the Managers are responsible for providing administrative, record-keeping, marketing, and investment management services to the DPF. During the year ended June 30, 2021, and 2020, DPF paid investment fees of \$1.8 million and \$1.6 million and service fees of \$11.7 million and \$10.2 million, respectively. Such direct investment and service fees reduce the value of the participant's account as incurred. Such fees are payable to the Managers monthly, solely from the assets of the DPF.

Under the DPF Service Agreement, CollegInvest receives an administrative fee at an annual rate of up to 0.10% of average daily net assets. These fees represent charges to DPF for actual administrative costs of CollegInvest. Such fees are payable to CollegInvest monthly, solely from the assets of DPF. From July 1, 2019 through June 30, 2021 CollegInvest received an administrative fee at an annual rate of 0.06% of average daily net assets. DPF paid administrative fees of \$3.1 million and \$2.5 million for the years ended June 30, 2021 and 2020, respectively.

CollegInvest
College Savings Program Funds
Notes To Financial Statements
June 30, 2021 and 2020

1. Organization and Summary of Significant Accounting Policies (continued):

Stable Value Plus Fund:

Contributions are invested by deposit under the Deferred Fixed Annuity Contract (Nationwide Contract) between CollegInvest and Nationwide. Deposits made under the Nationwide Contract become commingled with the general account of Nationwide. Nationwide is obligated to repay the amounts deposited under the Nationwide Contract and an investment return as described above. The annual interest rate calculated each year under the Nationwide Contract is net of all administrative and other charges of Nationwide.

Investment, Service and Administrative Fees (continued):

Stable Value Plus Fund (continued):

The Nationwide Contract states that CollegInvest will receive an administrative fee at an annual rate of up to 0.99% of the average daily net assets of the Fund. Such fees are payable to CollegInvest solely from account owners and cannot exceed actual expenses of administering the Fund as defined by statute. For the period from July 1, 2019 through June 30, 2021, the fee was 0.71%. SVP paid administrative fees on behalf of its participants of \$1.1 million and \$1.0 million for the years ended June 30, 2021 and 2020, respectively.

Smart Choice Fund:

All monies received as contributions to the accounts under the service agreement (SCCS Service Agreement) between CollegInvest and FirstBank shall be deposited by FirstBank into the Trust Account and invested according to the respective Investment Option or Options, as directed by the account owner. The SCCS Service Agreement requires FirstBank to repay the amounts deposited along with any interest earned on their deposit. The interest rate will be calculated, and may be adjusted if needed, every Wednesday and on the first day of each month and is net of all administrative and other charges of FirstBank.

Under the SCCS Service Agreement, CollegInvest receives an administrative fee at an annual rate of up to 0.10% of average daily net assets. These fees represent charges to SCCS for actual administrative costs of CollegInvest. Such fees are payable to CollegInvest monthly, solely from the assets of SCCS. SCCS paid administrative fees on behalf of its participants of \$80,000 and \$71,000 for the years ended June 30, 2021 and 2020, respectively.

CollegInvest
College Savings Program Funds
Notes To Financial Statements
June 30, 2021 and 2020

2. Cash, Cash Equivalents and Investments:

Cash and Cash Equivalents:

As contributions are received from participants, the cash is held in the respective Fund until such time as it may be invested in the underlying funds of the chosen investment portfolios. With respect to the SCF and DPF, depending upon the timing of the cash receipts, there could be up to two days' delay between actual receipt of cash and the investment made on behalf of the participant. Cash and cash equivalents are held in trust by the Funds' Managers as of June 30, 2021 and 2020. With respect to SVP, contributions will be invested with Nationwide within 30 days of receipt by CollegInvest. Interest earned on contributions prior to investment with Nationwide will accrue to CollegInvest and will be used to offset administrative expenses. SVP had deposits that were not yet transferred to Nationwide of \$584,000 and \$1.0 million as of June 30, 2021 and 2020, respectively.

All cash deposits of the SVP Funds are held by a bank. Payments and cash receipts are deposited to a demand deposit account daily. All cash deposits of the SCF and DPF are held by a custodian on behalf of the manager of each Fund until it is invested in the Underlying Funds. All cash deposits of the SCCS Funds are held by FirstBank.

Custodial Credit Risk – Cash Deposits:

Cash deposits as of June 30 are as follows:

	<u>2021</u>		<u>2020</u>
	(dollar amounts expressed in thousands)		
Demand deposit accounts	\$ 393		\$ 630
Money market accounts	<u>84,477</u>		<u>76,643</u>
Total cash deposits	<u>\$ 84,870</u>		<u>\$ 77,273</u>

Custodial credit risk is the risk that, in the event of the failure of a depository financial institution, CollegInvest will not be able to recover its deposits or will not be able to recover collateral securities that are in the possession of an outside party. Monies in the SVP demand deposit accounts are insured by federal depository insurance for the first \$250,000. Deposits in excess of the \$250,000 limit are collateralized subject to the provisions of the State's Public Deposit Protection Act (PDPA) for monies held within the state. Monies held in the SCF and DPF are uncollateralized. Individual accounts in the SCCS that are greater than \$250,000 are uncollateralized. There was one uncollateralized account in the SCCS as of June 30, 2021 and 2020.

Total investments	\$ 11,301,255	\$	9,242,296

Investment Authority and Policy:

Scholars Choice Fund and Direct Portfolio Fund:

The Board approves the investment policies for both the SCF and DPF. Investments of assets in the SCF and DPF and the underlying portfolios are selected and managed in accordance with the standards set forth in the Colorado Revised Statutes Sections 15-1-304 and 15-1.1-102. Consistent with these standards, the Board, or its designated committee, will determine from time to time suitable investment parameters for the SCF and the DPF, which seek to control risk through portfolio diversification. Generally, investments include money market mutual funds and bond and equity mutual funds. Each mutual fund in which an underlying portfolio is invested shall comply with the investment policy's permitted investment guidelines.

2. Cash, Cash Equivalents and Investments (continued):

Investment Authority and Policy (continued):

Scholars Choice Fund and Direct Portfolio Fund (continued):

- [A] No more than 10% of the total amount of the fixed-income portion shall be committed to the securities of any one issuer at the time of purchase, with the exception of securities issued or guaranteed by the full faith and credit of the United States or AAA rated securities issued by governmental agencies as to which there is no limit.
- [B] No more than 5% of the assets of the short-term investment account shall be committed to certificates of deposit from one institution.
- [C] Repurchase agreements must be secured by U.S. Treasury Obligations or U.S. Agency Securities.
- [D] No more than 5% of the total amount of the underlying portfolio in the securities of any one issuer; no more than 5% of the outstanding shares of any single corporation; and no more than 25% of the total amount of the underlying portfolio in any one industry.
- [E] No more than 5% of the total amount of the underlying portfolio in the securities of any one issuer; no more than 5% of the outstanding shares of any single corporation; investment in any one country shall be no more than a) 25% of the total amount of the underlying portfolio or, b) the country weight in the EAFE benchmark plus 10% and a minimum of eight countries should be represented in the underlying portfolio.

Stable Value Plus Fund:

The Board approves the investment policy for the SVP. Generally, investments include any funding agreement, guaranteed interest contract, guaranteed investment contract, annuity contract, repurchase agreement, or other similar investments which are issued by an insurance company or other investment provider with financial strength ratings in any one of the three highest rating categories by two or more nationally recognized rating agencies which regularly rate the ability of such investment providers to pay claims. The SVP may terminate any agreement with an existing investment provider should two or more of the nationally recognized rating agencies reduce their rating of the provider to a category that is below the lowest "A" rating. As of June 30, 2021, the Nationwide Mutual Insurance Company's rating met the requirements of the investment policy.

2. Cash, Cash Equivalents and Investments (continued):

Interest Rate Risk:

Interest rate risk is the risk that changes in market interest rates will adversely affect the fair value of an investment. Generally, the longer the maturity of an investment the greater the sensitivity of its fair value to changes in market interest rates. CollegeInvest provides participants investment opportunities in various portfolios that are constructed from a range of mutual funds that it has selected. CollegeInvest does not actively manage interest rate risk except through its mutual fund selection process. QS and the Managers of the Funds primarily report interest rate risk evaluation of the fixed income mutual funds in the various portfolios based on the duration method.

2. Cash, Cash Equivalents and Investments (continued):

Credit Risk:

Generally, credit risk is the risk that an issuer or other counterparty to an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization. Investment options in SCF and DPF attempt to diversify risk by offering multiple portfolio options with a range of credit risk characteristics. Investments of the underlying portfolios shall be selected and managed in accordance with the standards set forth in Section 15-1-304, C.R.S., that is: (a) with the care which men of prudence, discretion and intelligence exercise in the management of the property of another, not in regard to speculation but in regard to the permanent disposition of funds, considering the probable income as well as the probable safety of capital; and (b) for the sole benefit of the beneficiary. Investment decisions shall be made in accordance with the prudent investor rule set forth in Section 15-1.1-102, C.R.S. Consistent with the above, the BOD, or its designated Committee, will determine, from time to time, suitable investment parameters for the SCF and DPF which seek to control risk through portfolio diversification. Additionally, CollegeInvest's investment policy states that all mutual fund assets are subject to the provisions of the Investment Company Act of 1940. As of June 30, 2021 and 2020, investments in the SCF, DPF and SCCS portfolios and the Funding Agreement were unrated. The underlying securities of the repurchase agreement are explicitly guaranteed by the U.S. government and are not subject to credit risk disclosures.

Units:

The beneficial interests of each participant and beneficiary in the net position of all portfolios except SCCS are represented by units. Contributions to and redemptions from the portfolios are subject to terms and limitations defined in the participation agreement between the participant and the respective plan. Contributions to SCF and DPF (other than by electronic funds transfers) will purchase units in a portfolio at the net asset value per unit for that portfolio calculated no later than the business day following the day payment is received by QS or the Managers. Contributions by electronic funds transfers will purchase units at the unit value calculated on the day of transfer or, in certain cases, on the day that the monies become available. Contributions to SVP, including contributions received by electronic transfer, will purchase units at the net asset value calculated on the business day immediately preceding the date the contributions are invested with Nationwide. Contributions are required to be invested with Nationwide within 30 days of receipt by CollegeInvest.

Notes To Financial Statements
June 30, 2021 and 2020

2. Cash, Cash Equivalents and Investments (continued):

Units (continued):

Withdrawals from SCF or DPF result in the redemption of units, based on the unit value next determined following QS's or the Manager's receipt of the withdrawal request. Unit values for each portfolio are determined daily. There are no distributions of net investment gains or net investment income to the portfolios' participants or beneficiaries. Withdrawals from SVP result in the redemption of units, based on the unit value determined on the date immediately preceding the date that a payment is made by CollegInvest in satisfaction of a withdrawal request. Unit values for the Fund are determined daily. There are no distributions of net investment gains or net investment income to the participants or beneficiaries.

3. Disclosures About Fair Value of Assets and Liabilities:

Units:

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Fair value measurements must maximize the use of observable inputs and minimize the use of unobservable inputs. There is a hierarchy of three levels of inputs that may be used to measure fair value:

- Level 1:** Quoted prices (unadjusted) in active markets for an identical asset or liability that a government can access at the measurement date
- Level 2:** Inputs other than quoted prices included within Level 1, that are observable for an asset or liability, either directly or indirectly. Level 2 inputs include quoted prices for similar assets or liabilities, quoted prices for identical or similar assets or liabilities in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities
- Level 3:** Unobservable inputs supported by little or no market activity for an asset or liability

CollegInvest
College Savings Program Funds
Notes To Financial Statements
June 30, 2021 and 2020

3. Disclosures About Fair Value of Assets and Liabilities (continued):

Recurring Measurements:

The following table presents the fair value measurements of assets and liabilities recognized in the accompanying statements of fiduciary net position measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at June 30:

Investments	2021			2020		
	Carrying value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Exempt	Carrying value	Quoted Prices in Active Markets for Identical Assets (Level 1)	Exempt
<i>(\$ in thousands)</i>						
Stock Mutual Funds	\$ 5,987,153	\$ 5,987,153	\$ -	\$ 4,539,454	\$ 4,539,454	\$ -
Bond Mutual Funds	3,956,476	3,956,476	-	3,435,746	3,435,746	-
Guaranteed Investment Contract	172,727	-	172,727	159,686	-	159,686
Money Market Funds	1,184,899	1,184,277	622	1,107,410	1,106,464	946
Total	\$ 11,301,255	\$ 11,127,906	\$ 173,349	\$ 9,242,296	\$ 9,081,664	\$ 160,632

Following is a description of the valuation methodologies and inputs used for assets and liabilities measured at fair value on a recurring basis and recognized in the accompanying statements of fiduciary net position, as well as the general classification of such assets and liabilities pursuant to the valuation hierarchy. There have been no significant changes in the valuation techniques during the years ended June 30, 2021 and 2020.

Investments:

Where quoted market prices are available in an active market, securities are classified within Level 1 of the valuation hierarchy. If quoted market prices are not available, then fair values are estimated by using quoted prices of securities with similar characteristics or independent asset pricing services and pricing models, the inputs of which are market-based or independently sourced market parameters, including but not limited to, yield curves, interest rates volatilities, prepayments, defaults, cumulative loss projections and cash flows. Such securities are classified in Level 2 of the valuation hierarchy. In certain cases, where Level 1 or Level 2 inputs are not available, securities are classified within Level 3 of the hierarchy. CollegInvest does not have any investments classified as Level 2 or Level 3.

CollegInvest
College Savings Program Funds
Notes To Financial Statements
June 30, 2021 and 2020

4. Net Position:

All of the Funds' fiduciary net position of \$11.4 billion and \$9.3 billion as of June 30, 2021 and 2020, respectively, are net position held in trust on behalf of investors in the Funds.

5. Intraplan Administrative Fee Transfers:

CollegInvest may receive an administrative fee at an annual rate of up to 0.99% of the average daily net assets of SVP, and up to 0.10% of the average daily net assets of SCF, DPF and SCCS. These fees are deducted monthly from each fund and are used by CollegInvest for the payment of administrative expenses incurred by CollegInvest in connection with the operation of the Program in accordance with and as permitted by applicable law. From July 1, 2019 through June 30, 2021, the fee for SVP was 0.71%, 0.10% for SCCS, and 0.06% for SCF and DPF.

During the fiscal year ended June 30, 2021, DPF transferred \$875,000 to SCF, SVP transferred \$480,000 to SCF, and SCCS transferred \$29,000 to SCF for the excess of fees collected over expenses.

During the fiscal year ended June 30, 2020, SCF transferred \$179,000 to DPF, \$456,000 to SVP, and \$24,000 to SCCS for the payment of expenses in excess of fees collected.

6. Capital Markets:

During the last several years, financial markets as a whole have incurred significant fluctuations in values. Because the values of individual investments fluctuate with market conditions, the amount of investment gains or losses that the plan will recognize in its future financial statements, if any, cannot be determined.

As a result of the spread of the SARS-CoV-2 virus and the incidence of COVID-19, economic uncertainties have arisen which may negatively affect investment financial positions, and thus fiduciary net positions. The duration of these uncertainties and the ultimate financial effects cannot be reasonably estimated at this time.

7. Subsequent Events:

Effective July 1, 2021, the aggregate account balance limit for Colorado Section 529 plans for a particular beneficiary from all sources, excluding income, increased to \$500,000 from \$400,000.

**Report on Internal Control Over Financial Reporting
and on Compliance and Other Matters Based
on an Audit of the Financial Statements Performed in
Accordance with *Government Auditing Standards***

Independent Auditor's Report

Members of the Legislative Audit Committee:

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of each fiduciary fund of CollegeInvest (a division of the Department of Higher Education, State of Colorado) College Savings Program Funds (the Funds), as of and for the year ended June 30, 2021, and the related notes to the financial statements, which collectively comprise the Funds' basic financial statements, and have issued our report thereon dated November 22, 2021, which contained a paragraph emphasizing a matter regarding the financial statements.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Funds' internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Funds' internal control. Accordingly, we do not express an opinion on the effectiveness of the Funds' internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Funds' financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Funds' financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Funds' internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Funds' internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Independent Auditor's Communication to Legislative Audit Committee

Members of the Legislative Audit Committee

As part of our audit of the financial statements of CollegeInvest College Savings Program Funds (the Funds) as of and for the year ended June 30, 2021, we wish to communicate the following to you.

AUDIT SCOPE AND RESULTS

Auditor's Responsibility Under Auditing Standards Generally Accepted in the United States of America and the Standards Applicable to Financial Audits Contained in *Government Auditing Standards* Issued by the Comptroller General of the United States

An audit performed in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States is designed to obtain reasonable, rather than absolute, assurance about the financial statements. In performing auditing procedures, we establish scopes of audit tests in relation to the opinion unit being audited. Our engagement does not include a detailed audit of every transaction. Our engagement letter more specifically describes our responsibilities.

These standards require communication of significant matters related to the financial statement audit that are relevant to the responsibilities of those charged with governance in overseeing the financial reporting process. Such matters are communicated in the remainder of this letter or have previously been communicated during other phases of the audit. The standards do not require the auditor to design procedures for the purpose of identifying other matters to be communicated with those charged with governance.

An audit of the financial statements does not relieve management or those charged with governance of their responsibilities. Our engagement letter more specifically describes your responsibilities.

Qualitative Aspects of Significant Accounting Policies and Practices

Significant Accounting Policies

The Fund's significant accounting policies are described in Note 1 of the audited financial statements.

Alternative Accounting Treatments

We had discussions with management regarding alternative accounting treatments within accounting principles generally accepted in the United States of America for policies and practices for material items, including recognition, measurement, and disclosure considerations related to the accounting for specific transactions as well as general accounting policies, as follows:

- No matters are reportable

Management Judgments and Accounting Estimates

Accounting estimates are an integral part of financial statement preparation by management, based on its judgments. The following area involves significant estimates for which we are prepared to discuss management's estimation process and our procedures for testing the reasonableness of those estimates:

- Valuation of investments

Significant Unusual Transactions

Significant unusual transactions represent significant transactions that are outside the normal course of business for the Funds or that otherwise appear to be unusual due to their timing, size, or nature. We have preliminarily identified the following transactions that we consider to be significant and unusual.

- No matters are reportable

Financial Statement Disclosures

The following areas involve particularly sensitive financial statement disclosures for which we are prepared to discuss the issues involved and related judgments made in formulating those disclosures:

- Fair value disclosures
- Subsequent events

Audit Adjustments

During the course of any audit, an auditor may propose adjustments to financial statement amounts. Management evaluates our proposals and records those adjustments which, in its judgment, are required to prevent the financial statements from being materially misstated. A misstatement is a difference between the amount, classification, presentation, or disclosure of a reported financial statement item and that which is required for the item to be presented fairly in accordance with the applicable financial reporting framework. Some adjustments proposed were not recorded because their aggregate effect is not currently material; however, they involve areas in which adjustments in the future could be material, individually or in the aggregate.

Proposed Audit Adjustments Recorded

- No matters are reportable

Proposed Audit Adjustments Not Recorded

- No matters are reportable

Auditor's Judgments About the Quality of the Funds' Accounting Principles

During the course of the audit, we made the following observations regarding the Funds' application of accounting principles:

- No matters are reportable

Disagreements with Management

The following matters involved disagreements which if not satisfactorily resolved would have caused a modified auditor's opinion on the financial statements:

- No matters are reportable

Significant Issues Discussed with Management

Prior to Retention

During our discussion with management prior to our engagement, the following issues regarding application of accounting principles or auditing standards were discussed:

- No matters are reportable

During the Audit Process

During the audit process, the following issues were discussed or were the subject of correspondence with management:

- The adoption of GASB Statement No. 84, *Fiduciary Activities*, was discussed with management and representatives of the Office of the State Auditor as to whether the Funds met the definition to be reported as a fiduciary component unit. Upon discussion and additional research, it was determined that the Funds are not fiduciary component units but do meet the definition of fiduciary activities. There is no change in classification or presentation of the Funds as a result of the adoption of GASB 84.

Difficulties Encountered in Performing the Audit

Our audit requires cooperative effort between management and the audit team. During our audit, we found significant difficulties in working effectively on the following matters:

- No matters are reportable

Other Material Communications

Listed below is another material communication between management and us related to the audit:

- Management representation letter

* * * * *

This communication is intended solely for the information and use of the Legislative Audit Committee, Office of the State Auditor, management, and others within the Funds and is not intended to be and should not be used by anyone other than these specified parties. However, upon release by the Legislative Audit Committee this report is a public document.
